THE BURGESS DIFFERENCE

OUR STORY

IN EVERYTHING WE DO AT BURGESS, WE BELIEVE IN CHALLENGING THE STATUS QUO OF CLIENT SERVICES IN YACHTING.

The way we challenge the status quo is by focusing on our people first. At BURGESS the team is the thing. We have a professional sports team mentality with an equal place for everyone on the field. Together we want to be part of something bigger - part of something GREAT.

We hand select the brightest talent and home grow them in their careers as valued members of the BURGESS family. We trust and respect each other. We enjoy a sense of belonging and have a desire to spend time together. Our team retention levels are unmatched.

We believe
in doing
things
differently.

OUR STORY

We are curious, friendly and approachable. At our core we have a deep base of knowledge and experience. As a global team of complimentary specialists, we move swiftly and effectively to provide a Best-in-Class suite of 360-degree client advisory services.

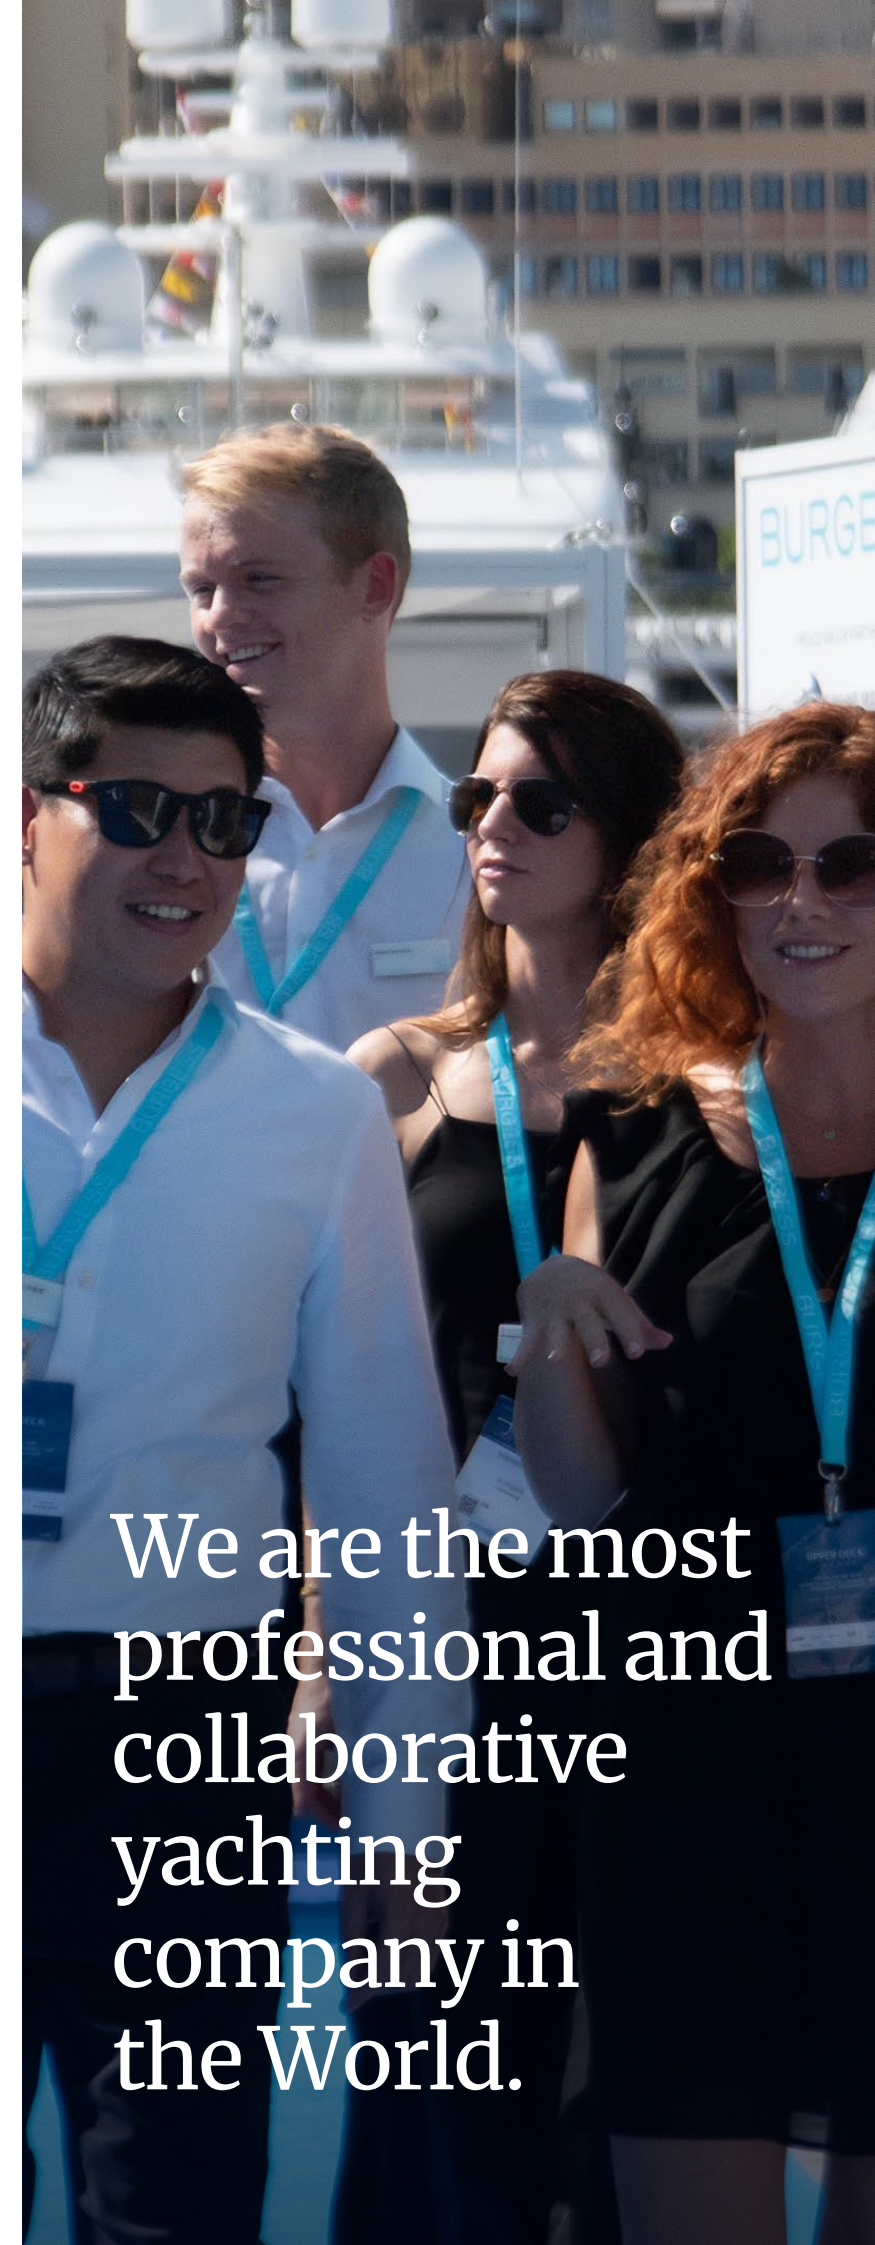

Our clients' experience is paramount. From our very beginnings 50 years ago, BURGESS has been built on consistently going above and beyond what is expected—each and every day. We never stop trying to get better at this.

We are a trusted body in our industry standing for experienced, transparent and fair advice that's delivered with genuine awareness. We treat our industry partners as friends and openly collaborate for the greater good of excellence of service in yachting.

In our hearts we are water people who share a love and deep respect for the ocean. We are proud to share this passion with our clients so that the best times of their lives are spent on the water being safely cared for by BURGESS.

We are the most professional and collaborative yachting company in the World.

If you want to build a ship, don't drum up the people to gather wood, divide the work and give orders.

Instead, teach them to yearn for the vast and endless sea.
